

Cleanox 1.0 Weld Cleaning Machine

The Cleanox 1.0 is a pure AC device with 800VA power for efficient cleaning of welding seams using carbon fibre brushes. Simple operation and lightweight makes the device ideal for building sites and pipe installations. The Cleanox 1.0 works with powerful 80A continuous current at 100% duty-cycle and pulse currents of up to 120A.

Features

- Ultra Light Weight at only 5.2Kg
- Very portable with handy shoulder strap
- Available with optional bright marking kit
- Supplied with Handy Plastic Box

DETAILS

CLEANOX 1.0

Code	EP-01-011
